Awesome Auction Information

Auction Rules

The Auction Committee reserves the right to withdraw any item from sale. We have made every attempt to describe the auction items correctly based on the information given by the donor, but all items are sold "as is." No statements contained in the program or made orally at the sale or elsewhere shall be deemed a warranty, representation, or assumption of liability. Bidders should carefully note the specific restrictions, conditions, and expiration dates for items purchased. We appreciate your observance of these restrictions. Each bid legally obligates the bidder to pay his or her bid price in full if his or her bid is deemed the high bid for an item at the conclusion of the auction.

Silent Auction

Silent Auction tables will close at varying times, as posted on the individual tables. To place a bid, write your bid number on the bid sheet next to the item. Your bid must begin at the posted minimum bid and must follow minimum raise increments as stated on the bid sheet. The next bidder must bid higher than you to be successful. Once the auction closing time is announced, no further bids may be made. Volunteers are instructed to circle the winning bid and remove the bid sheets immediately for processing. Your cooperation is appreciated. All winning bids are final. There will be no exchange or refund on items unless otherwise specified. All items must be paid for and taken home the evening of the auction.

Live Auction

The Live Auction will begin at 7:30 p.m. **PATRICK SOUCY OF GOLDEN GAVEL AUCTIONS** has graciously donated his services and will conduct the Live Auction. Volunteers will be placed around the room to identify Live Auction bidders. To make a bid, please raise your bid number immediately following the amount indicated by the auctioneer. The auctioneer must acknowledge you and the bid amount at the time your bid is made for your bid to be considered. Once you have won the bid on an item, see cashier for payment and pickup.

PAYMENTS: Cash, checks, Master Card and Visa may be used to pay for all auction items, with the exception of the Honda Civic.*

A 4% PREMIUM WILL BE ADDED TO CREDIT CARD PURCHASES.

* Successful bidder will arrange payment directly with Hoffman Honda
