Dear Patron,

The Town of Granby, Connecticut will be turning 225 years old in October 2011. To celebrate this milestone a committee has been formed to plan a celebration for October 1, 2011. Our plans include a parade, which will lead everyone to Salmon Brook Park, where there will be food, music, games and dancing with family and friends in an old-fashion carnival atmosphere. A fireworks display has been planned to close out the day's events.

The Fundraising and Merchandising Committee is responsible for planning fund raising events to raise the necessary funds for this celebration. **On May 14, 2011** we are planning our biggest fund raising event, a Live and Silent Auction. For this event, we are asking your business or organization for items such as a product from your business, tickets to an event, a gift certificate, a time-share, an hour of your time, etc. Monetary donations will also be appreciated. In return for your generous donation your organization will be listed as a donor:

- In the event program booklet
- On the Town of Granby's website, (www.granby-ct.gov).

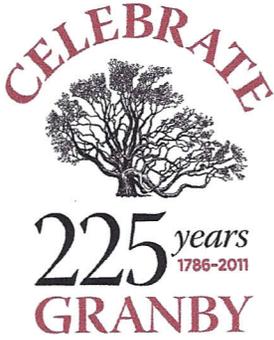

Donations must be received by **April 15, 2011** for listing in our program booklet and signage. To make a donation, please return the attached donation agreement form to the address listed.

It is our intent that this event will unite all generations in our community as we commemorate our historical heritage.

Thank you for your consideration of a donation and we look forward to hearing from you.

Sincerely,

Deborah A. Kulwich
