

Brita Gotberg has worked with Granby Youth Services since 2006, first as a volunteer and then as the Program Coordinator for Women on the Way! (W.O.W.!) and the Youth Action Council (Y.A.C.). She has worked with a diverse youth population in many different ways since 1995, from managing a drop-in center to organizing week long service trips to running weekly community building programs. After growing up in Granby, Brita spent many years in Chicago and on Cape Cod before returning to Granby with her husband Gary where they now raise their two boys.
