

# Kids Play You Stay

Please join the Granby Youth Service Bureau and the Granby Early Childhood Council for this free weekly group. Geared for children from birth to those getting ready to start Kindergarten, the children engage in age appropriate play while caregivers network, utilize YSB staff and each other to discuss issues and concerns, gather information, or simply relax with other adults in a setting that allows the use of complete sentences!

Our weekly sessions typically include a craft or activity for the children, a cup of coffee for the adults, snacks for the little ones and once a month or so a brief topical discussion facilitated by YSB and GECC staff.
