Who: We're looking for kids who would like to be a part of creating, planning and implementing Youth Service Bureau community programs.

What: 1. Three youth members are needed for the Town of Granby Youth Service Bureau Advisory Board. This is an official board of the Town of Granby. Youth members have an opportunity to impact the direction of Youth Services in the town, to serve other youth through the YSB and to learn about Town government. Youth have equal voting membership on this board.

2. The YSB's Granby Prevention Council (GPC) needs youth members to meet to brainstorm, create and implement programs for youth based upon the 40 Developmental Assets.

Where: Meetings are held at the Town of Granby Senior Center/Youth Services Building.

When: Youth Service Board: 2nd Weds. of each month Sept. – June, excluding Dec. 4:00 – 5:30 pm.
GPC meetings are as needed and agreed-upon by members. Next meeting is April 5, 6:00 – 8:00 pm.

Why: The Youth Service Bureau and the Granby community needs honest youth opinions and action in an effort to create a better atmosphere, meaningful activities and a healthier, happier community for Granby youth.
