Governance will poll members to see who will stay on for another term and who is leaving; those leaving will be asked for suggestions for replacement. Guidelines for a nominating committee were created.

**b. Events**

Committee is waiting for an event. The high school will have a Wayne Kowal presentation in November and May for students and parents. The 9<sup>th</sup> Grade Wellness Day during CAP testing will be repeated with the possible addition of a parent piece that the GPC could have involvement with.

**c. Marketing and Development**

Discussed the PowerPoint presentation and made some changes also reviewing for the next generation of this presentation. AnneMarie has used the PowerPoint presentation. Another person has been added to the subcommittee, Debra Lombardi. The first mailing to the 225 List has been done. A more complex list needs to be created by updating and adding to the 225 List. The brochures have

been printed. The process for following up with those who have received a letter was discussed. It was decided that on the letter to be mailed, a signature block will be added, so that a sponsor would sign and date that they have agreed to be a sponsor.
