

Election Information

SDR – Same Day Registration is Available October-November

Same day voter registration allows US citizens who are 18 by November 7th to register to vote on Election Day if they can document both residency in Granby and their identity. Unregistered voters will need to go to Town Hall (not the town's polling site in the HS Community Gym) on Election Day to register. They must bring proof of identity and proof of residence in Granby to vote. Once registered, new voters get to fill out a ballot and then place it in an envelope. If their ballot is uncontested at 8 pm, then it will be counted separately from the official ballots and the absentee ballots. The Registrar of Voters strongly encourages everyone to register before Election Day, so you can place your ballot directly into the machine to be counted and avoid any potentially long lines at Town Hall. Voters need to be aware that voter registration is NON-transferable. If you moved from another town or state, you still need to fill out a new registration card, with your current address, in order to vote.

Online voter registration is available for new voters or to make changes 24 hours a day – 7 days a week at: www.voterregistration.ct.gov

Voter Registration can be verified 24/7 at: www.dir.ct.gov/sots/lookup.aspx

Voter ID

To check in quickly at the polls, please bring an ID, photo ID if possible. Should you not have an ID on election day, but have previously proven your ID, either at the time of your registration or when voting previously, you will need to spend a few minutes at the Moderator table, as there is a state required form to fill out. If you are a brand new voter, and your confirmation letter noted that you have not proven your identity, you **MUST** bring an ID to vote on Election Day, preferably a photo ID. Provisional ballots are not available for Municipal Elections.

Poll workers are Needed!

With the passage of early voting/election day registration, we are going to need help with computer data entry. The Registrars will hold SDR data entry classes for workers, new and old, answer questions about the new process coming for 2024 and sign-up workers for 2024. The Registrar's office is compiling an e-mail list of poll workers. Poll workers can be volunteers or paid. Volunteer poll workers must be at least 16 years old and can choose to volunteer for a few hours, as desired to fit their schedules.

If you would like to be added to the list, please e-mail the registrars at their email address: registrarofvoters@granby-ct.gov. Poll worker training is required to serve. For

more information or attend an EDR class please contact the Registrars at their email address: registrarofvoters@granby-ct.gov.
