

How much trash does the average Granby resident generate in a year?

Year	Total MSW (tons)	Waste generated per capita (pounds)
2017 – 2018	3726	685.02
2018 – 2019	3683	690.04
2019 – 2020	3686	693.08
2020 – 2021	3874	726.55

Let's work together to save the environment while lowering costs.

REDUCE

Reducing the amount of waste you produce is the best way to help the environment. Avoid single use items—water bottles, straws, cups. Purchase items with the least amount of packaging.

REUSE

Repair or repurpose items. Swap goods with friends and neighbors. Consign or donate clothing and household items.

RECYCLE

Place only items accepted in our recycling program in your barrel. Make sure items are clean and dry. Contamination costs—recycle right!
