

Open Space

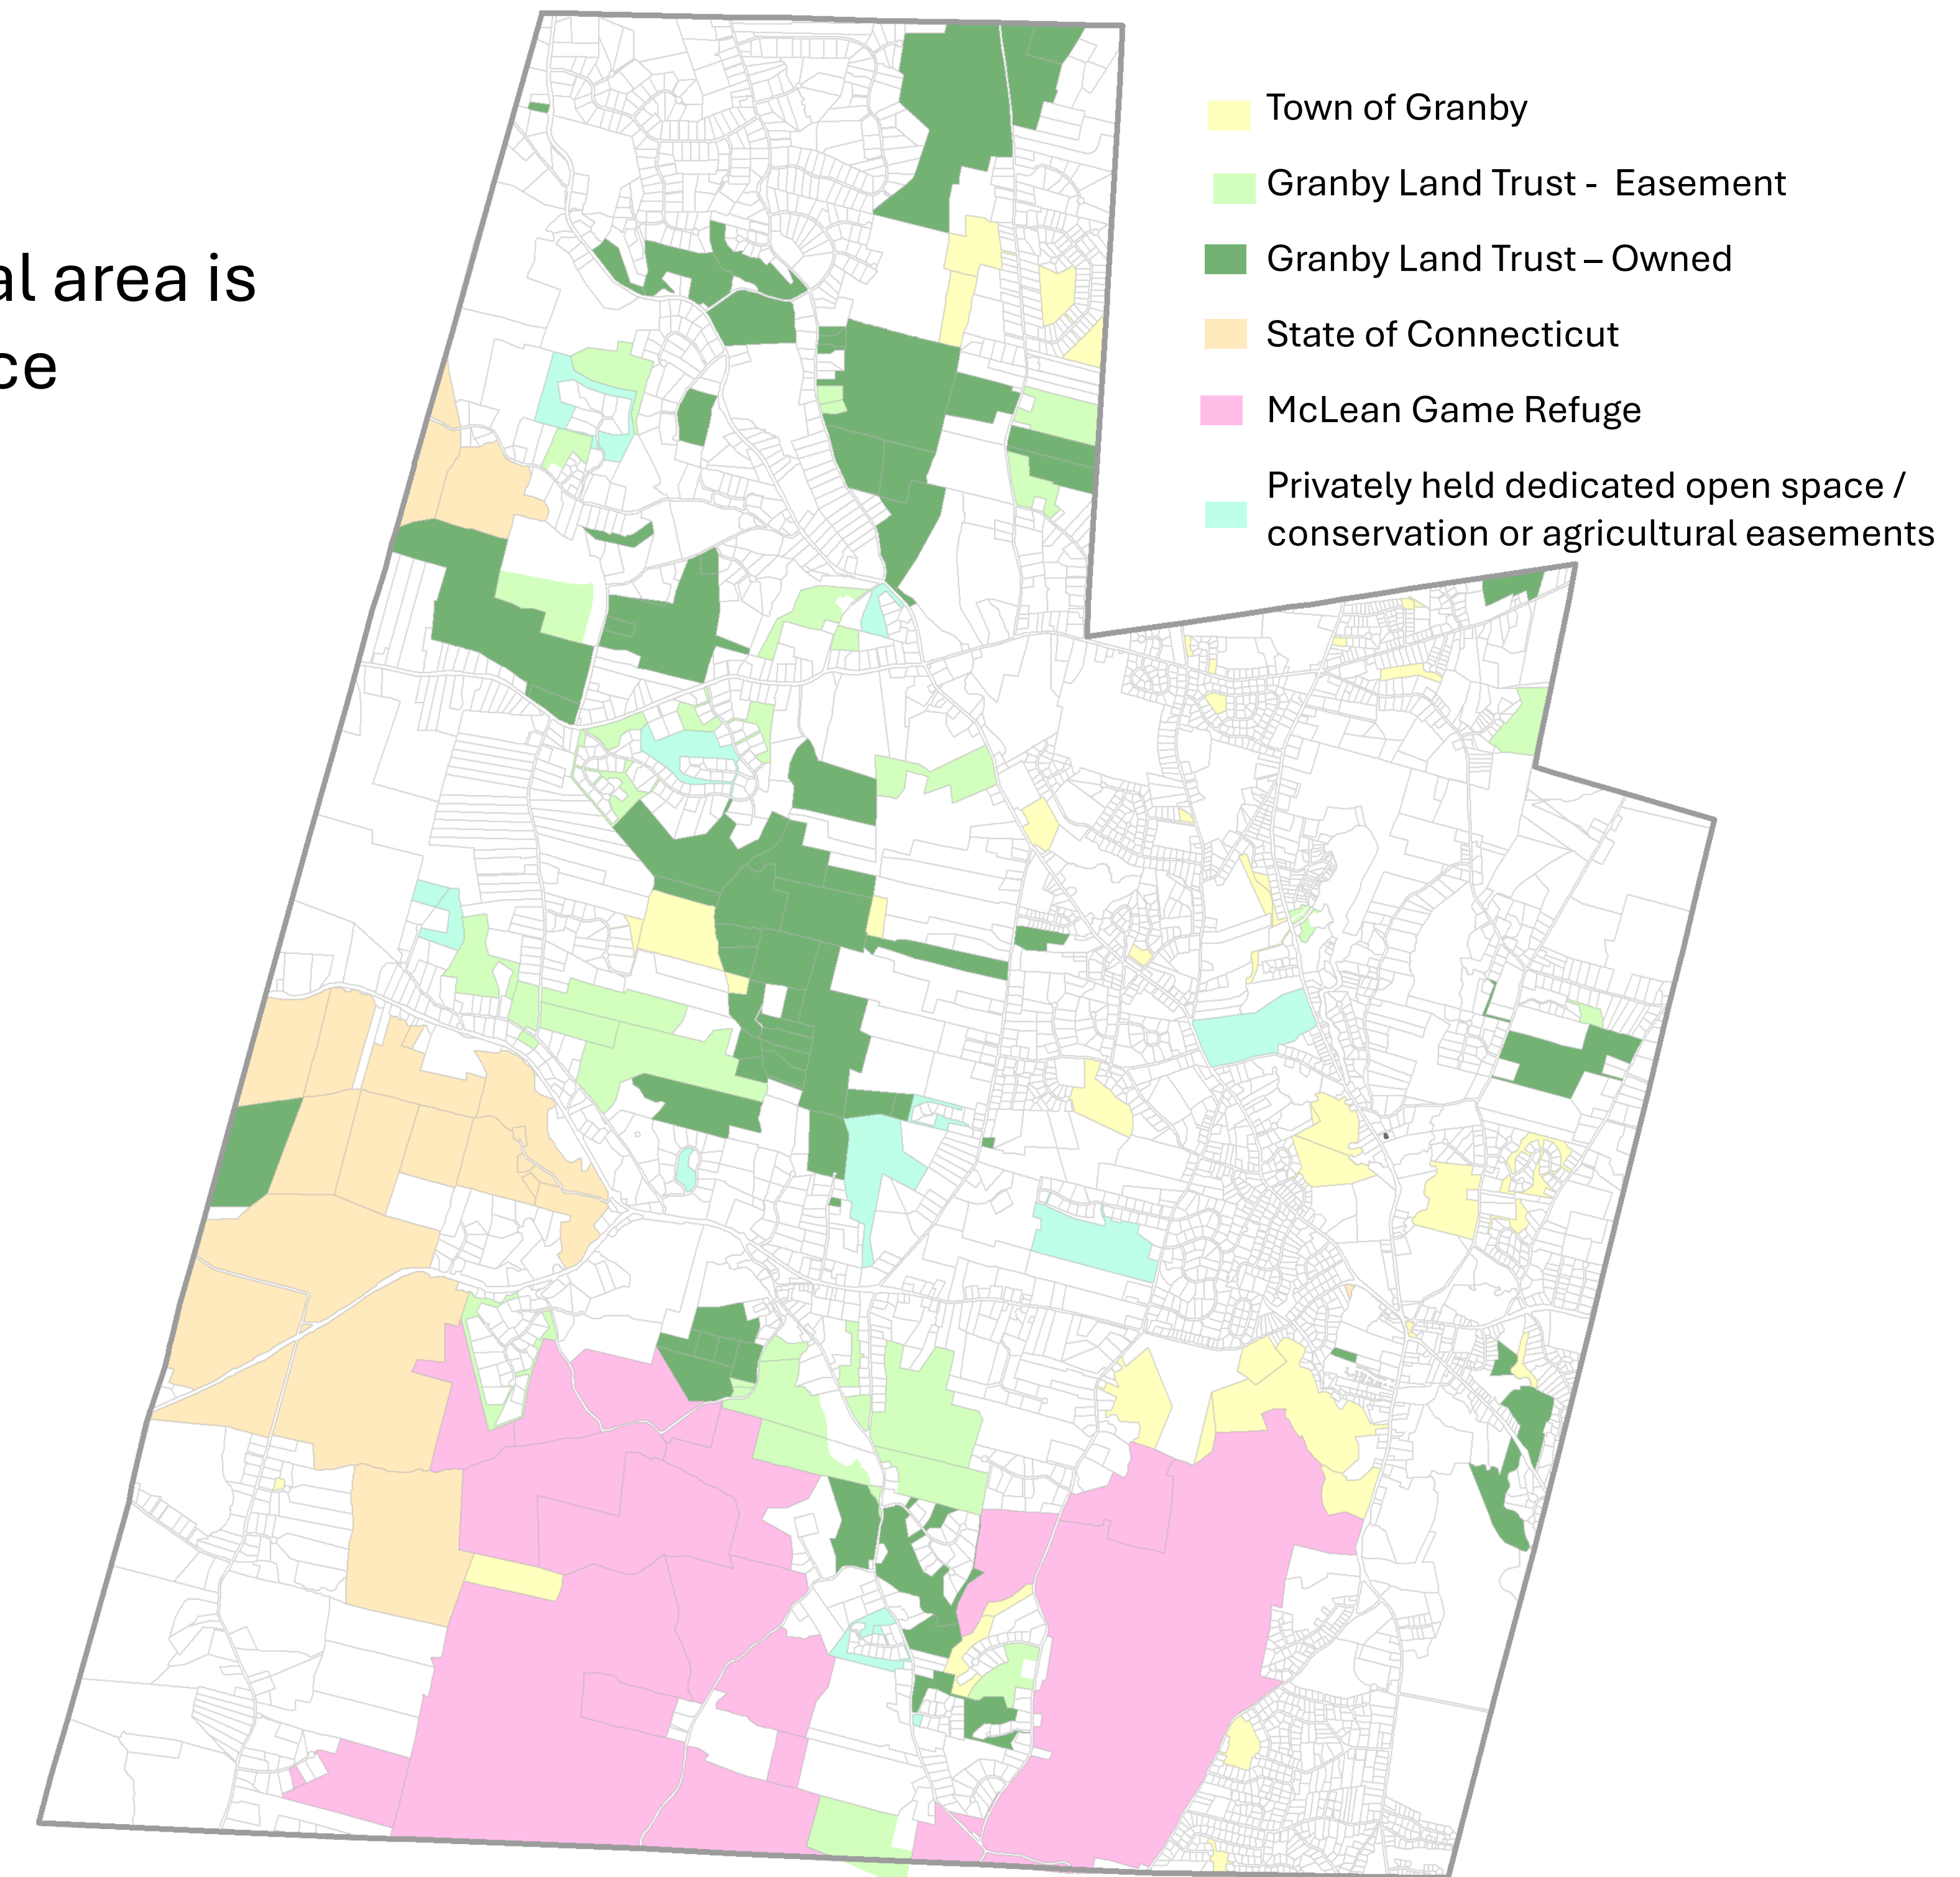

Open Space

About 35% of Granby's total area is preserved open space

Open Space by Type

Open space includes property owned by the Town of Granby that is designated open space or is undevelopable based on environmental, access, or other factors; Granby Land Trust property (both owned and easements); State of Connecticut property; McLean Game Refuge property; and privately held dedicated open space / conservation or agricultural easements. This totals 9,118 acres.
