**Mark H. Fiorentino— First Selectman  
Mark C. Neumann— Vice Chairman  
Margaret Q. Chapple  
Frederick A. Moffa, O.D.  
Kelly O. Rome**

# STRATEGIC GOALS FOR THE BUDGET

1. Operate with financial stability for both near and long-term needs of the Town.

a. Collaboration with the BOE and the Town of Granby for short and long term capital planning

b. Review financial policies to ensure that Granby maintains a stable mill rate and its impact on residents and businesses

c. Explore opportunities for regionalization of services

d. Ensure we are maximizing effective use of available grants and other revenue sources

2. Effectively manage and function as stewards of Town infrastructure, facilities, and properties.

a. Examine all Town of Granby leases and license agreements

b. Update the inventory list of town owned properties

c. Evaluate the use and/or potential disposal options for town properties

3. Ensure that the providers of all Town services have sufficient resources and facilities to accomplish their missions.

a. Evaluate space needs to enhance user experiences and programing demands

b. Develop and implement a plan for upgraded emergency communication system

c. Conduct an analysis of staff levels in ALL DEPARTMENTS

d. Implement a technology plan

KEY  
STRATEGIC  
INITIATIVES

- Continued improvement in our information technology infrastructure and operations
- Continued improvement in our communication systems and operations
- Increased investment in our volunteer fire services
- Technology upgrades in our police operations and communications
- Increased investment in our road maintenance and improvement programs
- Established framework for increased support of Granby Ambulance Association Capital Needs
