The Next Regular Meeting is Scheduled for August 15, 2022
WELCOME

By Charter, the Granby Board of Selectmen (BOS) serves Granby as the town's Legislative Body. It is composed of five members elected every two years by the registered voters of the Town of Granby.

The BOS meets on the first and third Monday of each month at 7:00 p.m. in the Town Hall Meeting Room. All meeting notices are posted in the Town Clerk's office in the Town Hall. ALL MEETINGS ARE OPEN TO THE PUBLIC. An agenda is prepared prior to the posting of the meeting. If you would like to propose an item for the agenda, please speak with the Town Manager at least one week prior to the meeting.

We encourage your involvement in town government. The Public Session section of the order of business shall be that portion of the regular Board meeting during which electors of the Town of Granby may address the Board for no more than five (5) minutes each regarding any matter not otherwise subject to Public Hearing. Further remarks or questions by the public may be allowed at the discretion of the chair. Each person speaking must give name and address and shall speak only once on the subject being addressed.

The originator of a communication or spokesman for any group whose petition or communication is included on the agenda shall be given the privilege of addressing the Board of Selectmen on the subject of the petition or communication for a period of not more than ten (10) minutes.

Each speaker is allowed one comment on an issue until all others have been heard. Please wait to be recognized by the First Selectman before speaking. Interrupting the Board or discussion of personnel issues is not permitted. Comment on issues not listed on the agenda may be made during the public session.

Citizens of Granby are also encouraged to become active in town government. Please feel free to contact a Board of Selectmen member or John D. Ward, Town Manager, to discuss ways in which you can support the Town of Granby.

BOARD OF SELECTMEN

Mark H. Fiorentino, First Selectman
Margaret Q. Chapple
Frederick A. Moffa
Mark C. Neumann
Kelly O. Rome

TOWN MANAGER

Erica P. Robertson
Members Present: First Selectman Mark Fiorentino  
Selectman Frederick Moffa  
Selectman Mark Neumann  
Selectman Kelly Rome

Others Present: Erica P. Robertson, Town Manager - Via Zoom  
Kimi Cheng, Director of Finance

The Hon. Mark Fiorentino, First Selectman called the regular meeting of the Board of Selectmen to order at 6:00 p.m.

I. PLEDGE OF ALLEGIANCE

First Selectman Mark Fiorentino led members of the Board of Selectmen in the Pledge of Allegiance.

II. PUBLIC SESSION

There was no public input offered.

III. MINUTES

Selectman Mark Neumann made a motion for the adoption of the following resolution:

BE IT RESOLVED, that the Granby Board of Selectmen hereby approves the Minutes of the Special Board of Selectmen Meeting of June 20, 2022.

The motion was seconded by Selectman Kelly Rome at which time Selectman Mark Neumann noted that there was a typo in the meeting minutes of June 20, 2022, regarding Mr. Reinhard Maier’s address under Public Input. It was noted that the correct address should be 138 Day Street. After discussion, the motion passed by a unanimous voice vote. (4/0/0) MOTION CARRIES.

IV. APPOINTMENTS

First Selectman Mark Fiorentino informed members of the Board of Selectmen that Selectman Sally King had submitted a letter of resignation effective June 22, 2022 and that the Granby Democratic Town Committee has recommended that the vacancy and the remainder of Selectman Sally King’s term be filled by Ms. Margaret Chapple (D) for a term expiring November 21, 2023. First Selectman Mark Fiorentino thanked Selectman Sally King for her years of service and dedication to the Town of Granby and wished her well.

(Continued on Next Page)
Selectman Frederick Moffa made a motion for the adoption of the following resolution:

BE IT RESOLVED, that the Granby Board of Selectman hereby appoints, Ms. Margaret Chapple (D) to the Granby Board of Selectmen for a term ending November 21, 2023.

The motion was seconded by Selectman Mark Neumann which was passed by a unanimous voice vote. (4/0/0) MOTION CARRIES.

First Selectman Mark Fiorentino noted that he thought Ms. Margaret Chapple would serve as an excellent addition to the Board of Selectmen.

V. OLD BUSINESS

No report was given.

VI. NEW BUSINESS

A. Consideration of Fiscal Year 2021-22 Transfer of Accounts

Kimi Cheng, Director of Finance gave an overview and report of the transfer accounts to members of the Board of Selectmen and expressed that the Town budgeted personnel increased under the Contingency Department in the Fiscal Year 2021-22 Adopted Budget as all union contracts were being negotiated.

Selectman Kelly Rome made a motion for the adoption of the following resolution:

BE IT RESOLVED, that the Granby Board of Selectmen hereby approves and authorizes the transfer of accounts in the amount of $299,760 from the Contingency, Police Operations & Communications, Library Services, Social-Senior Youth Services, Fringe Benefits, and Insurances Department to various Departments listed in the above tables and forwards this request to the Board of Finance to approve.

The motion was seconded by Selectman Frederick Moffa which was passed by a unanimous voice vote. (4/4/0) MOTION CARRIES.

VII. TOWN MANAGERS REPORT

Town Manager, Erica Robertson noted that she regrets she could not attend the Board of Selectmen’s meeting in person but will have a full detailed report at the next regularly scheduled Board of Selectmen’s meeting.
VIII. **FIRST SELECTMAN REPORT**

No report was given.

IX. **SELECTMAN REPORTS**

No report was given.

X. **EXECUTIVE SESSION**

No executive session took place.
XI. ADJOURNMENT

There being no more business to come before the meeting, Selectman Mark Neumann made a motion to adjourn the Special Board of Selectman Meeting at 6:08 p.m., which was seconded by Selectman Frederick Moffa and passed by unanimous voice vote. (4/4/0) MOTION CARRIES.

Respectfully submitted & attested,

Scott A. Nolan
Town Clerk

Received for Record July 18, 2022
By SCOTT A. NOLAN, Town Clerk
TOWN OF GRANBY

MEMORANDUM

TO:    Board of Selectmen

FROM:   Erica Robertson, Town Manager

REGARDING: IV. - Appointments

The following positions are open. The name in parenthesis is the last person to hold the position. When appointments are ready to be made, the following motions are recommended:

That ____________ be appointed to the Lower Farmington River and Salmon Brook Wild & Scenic Management Plan (LFSWS) as an alternate for an indefinite term. (Fred Jones)

That ____________ be appointed to the IWWC for the balance of a four-year term beginning immediately and ending January 8, 2024. (Jason LaChance)
MEMORANDUM

TO: Board of Selectmen

FROM: Erica Robertson, Town Manager

REGARDING: VI. BUSINESS – ITEM A
Consideration of Changes to Chapter #144, Solid Waste Ordinance

Background

Staff and I have reviewed Chapter 144, Solid Waste. The ordinance contains outdated language and provisions with several references to organizations that we do not belong to or have closed. We have also proposed to switch Articles II and III. This change provides a more orderly flow to the ordinance. We have not changed all section numbers at this time but will when sent to general code. The Town attorney reviewed the proposed changes.

There are no material changes to the ordinance. Therefore, following the public hearing held earlier this evening, we propose the attached updated ordinance be adopted by the Board of Selectmen.

PROPOSED MOTION
To Amend Ordinance 144, Solid Waste, as amended on 8-1-22.
Chapter 144

SOLID WASTE

[HISTORY: Adopted by the Board of Selectmen of the Town of Granby as indicated in article histories. Amendments noted where applicable.]

ARTICLE I

Town Transfer Station

[Adopted 10-8-1962; amended in its entirety at time of adoption of Code (see Ch. 1, General Provisions, Art. I)]

§ 144-1. Location.

The transfer station shall be located on property owned by the Town of Granby north of Old Stagecoach Road and west of Notch Road. The boundaries of the actual dumping areas may be changed by the Board of Selectmen from time to time.

§ 144-2. Operation.

A. The transfer station shall be used for the disposal of of bulky waste, grass clippings, brush and tree trimmings, white goods, scrap metal, designated recycling and other materials deemed appropriate for disposal.

B. The use of the transfer station is restricted to residents of Granby and to persons doing business in Granby and is restricted to matter actually produced in the Town.

C. The Town transfer station is to be fenced and the gate locked when the transfer station is not open.

D. Access to the dumping area is from Notch Road at a point just north of the "notch" by way of Old Stagecoach Road (so-called).

. The transfer station shall be operated on a sanitary landfill basis with the fill applied at least once a week, unless the weather prevents it. The frequency of compacting and application of fill shall be determined by the Board of Selectmen.

. A chemical pesticide shall be applied at the end of each dumping period for the control of insects and rodents.

E. Burning of material in the transfer station shall be done only with the approval of a Fire Warden-Town Official and a CT DEEP Official.
F. A clear area around the dumping point will be maintained as a fire break.

G. A custodian shall be on duty whenever the transfer station is open to the public. He shall be employed by the Town and shall be responsible for the enforcement of the transfer station regulations.

H. Salvage rights shall be awarded to the custodian—

I. The Board of Selectmen, Town Manager or Public Works Director may temporarily close the transfer station if they deem such action to be necessary for the welfare of the Town.

J. The Board of Selectmen may make additional rules governing operation and maintenance of the transfer station, providing that such rules do not conflict with this article.

§ 144-3. Rules for users.

Failure to comply with the rules enumerated below will subject the violator to a fine of not more than $250. Dumping permits may be rescinded for cause at the discretion of the Board of Selectmen.

A. Permits. The following shall obtain permits from the Town Manager in order to dump:

(1) Commercial rubbish collectors.

(2) Business firms or individuals dumping large volumes (three yards or more at a time). Charges for permits shall be determined by the Board of Selectmen.

B. Nonpermitted dumping. The following items shall not be deposited in the transfer station:

(1) Dead animals.
(2) Junked motor vehicles, motor vehicle bodies
(3) Tires.
(4) Chemical waste (dissolved or in bulk).
(5) Oily liquids.
(6) Septic tank sludge or sewage.
(7) Trees, stumps, stones, building materials (such as beams, boards, concrete fragments, etc.)—or large brush (over three feet long). Individual homeowners may dump moderate amounts of refuse from dooryard trees and shrubs as well as building materials.

(8) Household hazardous waste.

C. The days and hours that the transfer station will be open shall be determined by the Board of Selectmen, Town Manager or Public Works Director.

D. No waste material may be transported to or removed from the transfer station except in covered containers or covered vehicles.
ARTICLE II
Recycling
[Adopted 11-7-1988; amended in its entirety 8-17-1992]

§ 144-4. Declaration of policy.

The accumulation, collection, removal and disposal of solid waste must be controlled by the Town of Granby for the protection of the public health, safety and general welfare. It is consequently found and declared that:

A. The Town of Granby is authorized by law to regulate the disposition of solid waste generated within its boundaries and to collect a charge therefor and to license refuse collectors; and

B. The Town of Granby is also authorized by Connecticut General Statutes to designate the area where solid waste generated within its boundaries shall be disposed and to assist in the statewide recycling efforts; and

C. The Town of Granby has will executed the a municipal service agreement requiring it to cause all solid waste generated within its boundaries and which meets the contractual standards to be delivered to the Mid-Connecticut System an acceptable disposal site; and

D. The public health, safety and general welfare of the Town of Granby will be best served by reducing the amount of such solid waste by encouraging and requiring the recycling of certain materials; and

E. The enactment of this article is seen as a cost-saving method for the Town and its citizens and as a way to preserve the quality of our environment.

§ 144-4. Definitions.

The following terms shall have the following meanings:

§ 144-5. Recyclable items.

For the purpose of this article, recyclables include:

A. Items required by the State of Connecticut Recycling Regulations, adopted pursuant to C.G.S. § 22a-241 et seq., as amended, such as:

(1) Glass food and beverage jars and bottles. Glass, metal food and beverage containers

(2) Metal food and beverage containers. Plastic containers

(3) Clean newspaper, magazines

(4) Corrugated-type cardboard, boxboard

(5) White office paper (other than residential).

(6) Waste oil (crankcase oil only).

(7) Lead acid batteries. Ni-cd rechargeable batteries, motor vehicle batteries
(8) Scrap metal. Including appliances

(9) Leaves.

B. Other items which may now or in the future be designated as recyclable by the Director of Public Works. The term “items designated for recycling” herein shall include, without further action by the Town, any and all legally adopted additions made by the Commissioner of Energy and Environmental Protection to any designation of items for recycling made pursuant to said Section 22a-241b of the General Statutes.

§ 144-6. Separation of recyclables.

All recyclables shall be kept separate from solid waste as follows:

A. One- and two-family residential generators of solid waste shall separate designated recyclables from solid waste.

B. All other generators of solid waste (commercial, industrial, governmental, institutional, multifamily, etc.) shall make provision for the separation of designated recyclables.

§ 144-7. Preparation of recyclables for collection.

A. Residents of one- and two-family structures shall place recyclable items in the recycling container as prescribed by the town. No non-recyclable materials shall be placed in the recycling container.

shall separate all recyclables from nonrecyclables by the following methods and shall maintain them in a clean manner:

(1) Clean and unsoiled newspaper shall be separated from other rubbish and placed into designated recycling containers; or shall be separated as otherwise directed by the Director of Public Works.¹—

(2) Glass and metal food and beverage containers, jars and bottles shall be separated from other rubbish and combined in recycling containers.—

(3) Corrugated type cardboard shall be separated from other rubbish, flattened and placed into the recycling container.²—

(4)(1) Waste oil, lead acid batteries, scrap metal and leaves shall each be separated from other rubbish and shall be delivered to a location designated by the Director of Public Works.

B. One- and two-family residential generators shall be required to place the materials separated under Subsection A above at the curbside for pickup. Such recyclables shall be collected from residential properties at least once a month, according to policies prescribed by the Director of Public Works. Additional pickup of recyclable materials may be conducted pursuant to policies and procedures prescribed by the Director of Public Works.

¹—Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. 1).—

²—Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. 1).
A reasonable fee may be charged for such collections. Recyclables may be disposed of at the Granby Transfer Station.

All other generators of solid waste shall make separate provision for the separation, collection and disposal of each kind of recyclable as defined in § 144-5 of this article, which separation, collection and disposal shall be consistent with the purpose of this article and with policies and procedures prescribed by the Director of Public Works.

B. **One- and two-family residential generators shall be required to place the materials deemed to be recyclable in the container as prescribed by the collector.** No non-recyclable materials shall be placed in any recycling container. Such recyclables will be collected from residential properties according to the schedule set by the Director of Public Works.

All other generators of solid waste shall make separate provision for the separation, collection and disposal of each kind of recyclable as defined in § 144-5 of this article, which separation, collection and disposal shall be consistent with the purpose of this article and with policies and procedures prescribed by the Director of Public Works.

§ 144-8. Responsibilities of collectors.

A. Any registered collector of solid waste who has reason to believe that a person from whom he collects solid waste has violated the separation requirements of this article shall issue a warning notice (provided by the Town of Granby) and shall promptly notify the Director of Public Works of the alleged violation. Collectors shall also assist the Director of Public Works in identifying persons responsible for creating loads of recyclables mixed with solid waste.

B. All registered collectors of solid waste/recyclables shall report to the Town the amount (in tons), items collected and facilities delivered to in accordance with the reporting procedures set forth by the Director of Public Works.

§ 144-9. Scavenging prohibited.

It shall be a violation of this article for any person not authorized by the Town of Granby to collect or pick up any recyclables left for collection.

§ 144-10. Designation of enforcement agent.

The Director of Public Works shall be the enforcement agent and, as such, shall receive notice of violations from collectors and disposal facilities, shall develop warning notices for collectors to issue and shall be responsible for imposing penalties on violators.

§ 144-11. Penalties for offenses; enforcement. ³

Any person violating any provision of this article or the regulations enacted hereunder shall be

---

³ Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I).
fined not more than $250 for each offense. In addition, the Town of Granby may refuse to collect or receive garbage, rubbish or other refuse from any generator who violates this article or the regulations promulgated hereunder. The Town of Granby may suspend the registration of any refuse collector who violates any provision of this article. The Director of Public Works shall be responsible for the enforcement of this article and shall have full discretionary authority in deciding all disputed questions arising under the provisions of this article or the regulations enacted hereunder.

ARTICLE III
Storage, Collection and Disposal
[Adopted 11-7-1988]

§ 144-12. Declaration of policy.
The accumulation, collection, removal and disposal of solid waste must be controlled by the Town of Granby for the protection of the public health, safety, and general welfare. It is consequently found and declared that:

A. The Town of Granby is authorized by law to regulate the disposition of solid waste generated within its boundaries and to collect a charge therefor and to license refuse collectors; and

B. The Town of Granby is also authorized by Connecticut General Statutes, § 22a-220a, to designate the area where solid waste generated within its boundaries shall be disposed; and

C. The Town of Granby has executed the municipal service agreement requiring it to cause all solid waste generated within its boundaries and which meets the contractual standards to be delivered to an appropriate and authorized disposal site; and

D. The public healthy, safety and general welfare of the Town of Granby will be best served by requiring the delivery of such solid waste to the Mid-Connecticut System for processing by the Mid-Connecticut System and the generation of electricity; and

E. The enactment of this article is in furtherance of this municipality's regional solid waste management plan.

As used in this article, the following terms shall have the meanings indicated:

CANS or DRUMS — Five gallon capacity, opened and empty.

CONTRACTUAL STANDARDS — For solid waste delivered to the Mid-Connecticut System are as follows:

A. It must be solid waste emanating from within the corporate boundaries of the Town of Granby;

B. It must not be of such a quantity, quality or other nature as to materially impair the operation or capacity of the Mid-Connecticut System or any portion thereof, normal and
reasonable wear and usage excepted;—

C. — It must not be of such a quantity, quality or other nature as to materially impair the strength or durability of the structures, equipment, or works which are part of the Mid-Connecticut System or any portion thereof;—

D. — It must not be of such quantity, quality or other nature as to create flammable or explosive conditions in the Mid-Connecticut System or any portion thereof;—

E. — It must not contain chemical or other properties which are deleterious, as determined by the Authority, or capable of causing material damage to any part of the system or to personnel;—

F. — It must not include any hazardous waste; and—

G. — It must not exceed the following dimensions:

(1) — Lumber: six feet in length or width or four inches in thickness.—

(2) — Trees or limbs: six feet in length or three inches in diameter, branches cut to within six inches of the trunk.—

(3) — Metal pipe: three feet in length and 1 1/2 inches inside diameter. —

DIRECTOR — The Director of Public Works of the Town of Granby.

DISPOSAL CHARGE — That amount of money to be charged for each ton of solid waste delivered to the Mid-Connecticut System as established by the procedures authorized in the municipal service agreement.

HAZARDOUS WASTE — Pathological, biological, cesspool or other human wastes, human and animal remains, radioactive, toxic, and other hazardous wastes which, according to federal, state or local rules or regulations from time to time in effect, require special handling in their collection, treatment or disposal, including those regulated under 42 U.S.C. §§ 6921 through 6925 and regulations thereunder adopted by the United States Environmental Protection Agency pursuant to the Resource Conservation and Recovery Act of 1976, 90 Stat. 2806, 42 U.S.C. § 6901, such as cleaning fluids, crankcase oils, cutting oils, paints, acids, caustics, poisons, drugs, fine powdery earth used to filter cleaning fluid and refuse of similar nature.

REFUSE COLLECTORS — Includes any person, firm or corporation engaged in the business of collecting and transporting commercial household or industrial solid waste for hire within the Town of Granby.

SOLID WASTE — Unwanted or discarded materials consistent with the meaning of that term pursuant to § 22a-260(7) of the Connecticut General Statutes, excluding semisolid or liquid materials collected and treated in a sewerage system.

§ 144-14. License required for refuse collections.

All solid waste accumulated in the Town of Granby shall be collected, conveyed and disposed of by the Town of Granby or by persons licensed by the Town of Granby to perform such work in accordance with the provisions of this article and in accordance with other local, state or federal regulations as may apply. No solid waste collected from outside the Town of Granby shall be
disposed of under a license or registration issued pursuant to this article.

§ 144-15. Licensing of refuse collectors; registration of vehicles.

A. Licensing and registration authority designated. The Director shall be the licensing and registration authority for refuse collectors and vehicles and containers used by them. The Director shall grant a license within a reasonable time following the filing of a proper application and payment of the prescribed fees as outlined in Subsections B and D below unless it is found that one or more of the following conditions prevail:

1. The applicant has been irresponsible in the conduct of solid waste collection and hauling operations based upon previous suspensions and/or revocations of licenses issued by the Town of Granby or any other licensing authority in the State of Connecticut within three years prior to the application; or

2. The applicant lacks suitable equipment with which to collect solid waste in a safe and nuisance-free manner and in compliance with this article.

3. The applicant is in default in its obligations as a collector or has otherwise violated the provisions of this article.

B. License required. Each refuse collector shall annually on or before July 1 apply for a license from the Director on such form or forms as shall be prescribed to engage in the business of solid waste collection in the Town of Granby. An annual licensing fee shall be as set by the Board of Selectmen⁴ and shall be paid prior to the issuance of any such license.⁵

C. Registration of vehicles and containers. Each licensed refuse collector shall obtain a separate registration for each vehicle used to collect, transport and/or deposit solid waste within the Town of Granby. When the vehicle is employed to transport more than one container, each container to be transported instead of the vehicle shall be registered. Registrations shall not be transferable from vehicle to vehicle nor from container to container; provided, however, the Director may allow such temporary transfer of registrations in hardship situations, such as a temporary breakdown of an individually licensed vehicle.

D. Registration term, fee, renewal. All registrations shall be issued for a term not to exceed one year and shall be renewable on or before the first day of July each year. The registration fee for each vehicle or container shall be as set by the Board of Selectmen.⁶ Containers of less than one yard shall not be subject to the registration and fee requirement.⁷

E. Reinspection upon sale or transfer of vehicle during registration year. Whenever a duly registered vehicle is sold or transferred to another refuse collector licensed in the Town of

⁴ Editor's Note: See Ch. A184, Fees.
⁵ Editor's Note: Amended at time of adoption of Code (see Ch. I, General Provisions, Art. I).
⁶ Editor's Note: See Ch. A184, Fees.
⁷ Editor's Note: Amended at time of adoption of Code (see Ch. I, General Provisions, Art. I).
Granby during the registration year, said vehicle shall be reinspected within seven days of such transfer date but no additional fee shall be required.

F. Display of registration. The registration issued shall be conspicuously displayed on the left front of the body of each vehicle or container so licensed or as may be directed.

G. Licenses nontransferable. Licenses are not transferable. When any licensee shall sell or transfer all or part of his business to any refuse collector not licensed in the Town of Granby, he shall first notify the Director, in writing, no less than 10 days prior to the sale date and the transferee shall, at the same time, make application for a license to operate in the Town of Granby.

H. Each licensed collector who offers a solid waste collection service to commercial and residential properties within the Town of Granby must also offer an acceptable concurrent curbside recycling service to all residential customers.

§ 144-16. Residential refuse collection policy.

The Town of Granby shall be responsible for residential refuse collection in accordance with the following conditions:

A. Refuse shall only be removed when it is properly placed along a Town-owned or state-owned public right-of-way or in the right-of-way of an approved subdivision road not presently accepted. Requests for an exception to the above must be submitted to the Director by February of each year.

B. Refuse shall only be removed when it is stored in Town-approved containers.

C. Refuse shall be removed from one-and two-family residential structures along public streets. Exceptions may be granted for noncommercial properties upon written application to the Director. Requests for an exception must be submitted to the Director by February 1 of each year.

D. Refuse will be removed on a specified day in accordance with the policy set forth by the Director.8

E. Refuse shall be placed at curbside in accordance with the policy set forth by the Director.

F. Refuse may not be placed at curbside prior to 4:00 p.m. the day before pickup.

G. Refuse containers must be removed from curbside no later than 7:00 a.m. of the day after pickup.

H. Items designated as recyclables shall be placed at curbside in accordance with Article II, Recycling.

I. Refuse shall not include any item listed as recyclable or any item deemed unacceptable by the Materials Innovation and Recycling Authority. Refuse shall include waste which accumulates from the preparation of food, plastic, metal or glass food containers which cannot be recycled, wastepaper, cans and bottles, wire, glass, other metal objects, tree and

8. Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I).
grass clippings, and other similar items that can be placed within a Town of Granby approved container.

J. Bulky waste will be removed from one- and two-family residential structures for a fee, as established by the Director, under the following guidelines:
   (1) Bulky waste will be removed on a call basis according to policy set forth in the office of the Director of Public Works.
   (2) Bulky waste shall include refrigerators with doors off, stoves, bedsprings, mattresses, auto parts, and other similar large heavy materials except those items listed under not acceptable for collection. Bulky waste shall also include brush when tied in bundles which shall weigh no more than 80 pounds and have as its greater dimension no more than six feet.

K. Leaves will be removed from residential property according to policy set forth in the office of the Director of Public Works.

L. Brush will be removed from residential property according to policy set in the office of the Director of Public Works.

M. The following refuse shall be considered not acceptable for collection:
   (1) Material which has not been prepared, bound, containerized and/or placed for collection in accordance with the rules and regulations of the Town of Granby.
   (2) Material and waste resulting from the repair of buildings or structures, such as earth, stone, concrete, plaster, mortar and roofing material, trees or tree stumps over six inches in diameter, junkyard wastes, dangerous material or substance, such as poisons, acids, caustics, sanitary wastes, infected materials, explosives or radioactive material, auto-car bodies, fine powdery earth used to filter cleaning fluid and refuse of similar nature.
   (3) Body wastes or solid industrial wastes.
   (4) Bulky waste which has a dimension in excess of six feet and/or exceeds 300 pounds in weight.
   (5) All other material deemed unacceptable. By the Materials Innovation and Recycling Authority.

N. Any refuse or rubbish left in public view, not in accordance with the provisions of this article, shall be deemed a public nuisance and a violation of this article.

§ 144-17. Revocation or suspension of license or registration.

A. General. A license to engage in solid waste collection in the Town of Granby is a privilege, not a right. Failure to comply with the provisions of this article shall be grounds for revocation or suspension of any license or registration issued under the provisions of this article, in addition to any other penalty imposable by law.

B. Notice required. Revocation or suspensions shall only become effective 10 calendar days
after receipt of written notice from the Director.

C. Request for review, filing, effect of failure to file. If a refuse collector objects to the Director's action described in Subsection B above to revoke or suspend his license or registration, he may, within the five calendar days of receipt of said notice, file a written request for review with the Town Manager. Failure to timely file such request for review shall make the Director's action final and binding upon the refuse collector.

D. Effect of timely filing. Timely filing of such request for review shall operate as an automatic stay of the Director's action.

E. Hearing. The Town Manager shall, within 15 days, hear and decide the matter. Such hearing shall be private, except, however, such hearing may be public if so requested, in writing, by the refuse collector. The decision of the Town Manager shall be final and binding upon the refuse collector.

F. Notwithstanding anything to the contrary herein, the Director shall have power to refuse permission to a refuse collector to use any authorized disposal facility with which the Town of Granby has contracted when, in his opinion, such refuse collector has violated this article or any other applicable rule or regulation.

§ 144-18. Administration; promulgation of rules and regulations.

A. The Director shall administer the licensing of any refuse collector engaged in the collecting and transporting of solid waste in the Town of Granby.

B. The Director shall, when considering an application for a solid waste collection license, including renewal, ascertain that the applicant has adequate liability insurance as required in the solid waste permitting disposal and billing requirements under any contract the Town of Granby may have with an authorized disposal facility.

C. The Director may promulgate additional collection and disposal procedures from time to time as he deems proper, but such rules shall not be inconsistent with this article. Any such procedure, however, must first be approved by the Town Manager.

§ 144-19. Responsibilities and obligations of refuse collectors. 9

A. Place of delivery, payment. Each refuse collector shall deliver all solid waste meeting the contractual standards collected within the territorial limits of the Town of Granby to an appropriate Town of Granby approved state-licensed facility and pay the disposal charge.

B. Failure to pay. Any refuse collector failing to pay any required disposal charge within 30 days after the date of a bill therefor shall pay, in addition to the disposal charge shown on such bill, interest on such disposal charge at the rate of bill, plus all costs of collection, including an attorney's reasonable bill, incurred. A failure to pay shall also be grounds for revocation or suspension of license and registration.

C. Prohibition on delivery. No licensee shall deliver any solid waste meeting the contractual

9. Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. 1).
standards to any final place other than an appropriate Town of Granby approved state licensed facility, unless such facility is incapable of accepting such solid waste at the time of delivery, in which event such solid waste shall be delivered to the place designated by the Director.

D. Construction and maintenance of vehicles and containers. All vehicles registered to collect and transport solid waste to a Town of Granby approved system shall be automatic unloading vehicles of a watertight construction and shall be maintained free of obnoxious odors and accumulated solid waste. Any such vehicle with a capacity in excess of 10 cubic yards shall be of a closed construction. A container utilized primarily for nonliquid solid waste need not be of watertight construction and shall be completely enclosed and maintained free of obnoxious odors and accumulated solid waste. If any such vehicle shall have a capacity of less than 10 cubic yards, it may have an open top, provided that it be covered when it is in motion to prevent the escape of solid waste.

§ 144-20. Penalties for offenses. 10

Any person violating the terms of this article shall be fined not more than $250 for each offense in addition to any other penalty which may be imposed by law.

Change Article II to Article III and Article III to Article II and renumber sections accordingly.

10. Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I).
MEMORANDUM

DATE: August 1, 2022

TO: Board of Selectmen

FROM: Erica Robertson, Town Manager

REGARDING: VI. BUSINESS – ITEM B
Use of Program Income from CT Small Cities Community Development
Block Grant (CDBG) Program.

Background
The Town of Granby has been a participant in the CT Small Cities Community Development
Block Grant (CDBG) Program for many years. While we have not received new funding from
the program in the recent past, we do have an account for program income. These State CDBG
program income funds were generated by the repayment of private residential rehabilitation
loans made to income eligible individuals for repairs to their homes through the Town’s
Residential Rehabilitation Loan Program. There is currently $254,722.57 in the Small Cities
account. A large repayment is expected this summer, with an additional $90,100 to be added to
the account.

We propose to use program income for a kitchen renovation project at the Senior Center. This
project is not a part of residential rehabilitation loan activity that generated the income.
Therefore, we need to request from the Department of Housing a change in our program income
reuse plan. We are reprogramming these repayments into another, national objective eligible
activity away from the housing rehabilitation activity originally approved for and designated for
use of. The Town proposes to reprogram an amount not to exceed $100,000.00 of these funds for
the purchase and installation of kitchen equipment for the Granby Senior Center.

The regulations for the State CDBG Program require that the Town of Granby provide its
citizens with reasonable advance notice of, and an opportunity to comment on, its proposed use
of these funds for an activity that is different than the original activity that generated them. This
process has been completed.

PROPOSED MOTION: To Approve the following Resolution for the Use of Program Income
to reprogram program income, not to exceed $100,000, for the purchase and installation of
kitchen equipment for the Granby Senior Center.
RESOLUTION FOR THE USE OF PROGRAM INCOME

Certified a true copy of a resolution adopted by of the Town of Granby at a meeting of its Board of Selectmen on August 1, 2022, and which has not been rescinded or modified in any way whatsoever.

Date

Clerk

(Seal)

Whereas, the Town of Granby has received funds under the Connecticut Small Cities Community Development Block Grant (CDBG) Program, administered by the State of Connecticut, Department of Housing, pursuant to Title I of the Housing and Community Development Act of 1974 as amended; and

Whereas, the Town of Granby has expended those funds pursuant to Title I of the Housing and Community Development Act of 1974, the Code of Federal Regulations, and the Assistance Agreement, and,

Whereas those funds received by the Town of Granby have generated Program Income.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SELECTMEN:

1. That it is cognizant of the conditions for the use of Program Income as prescribed by Title 24, Part 570, Section 489(e) of the Code of Federal Regulations.

2. That it realizes Program Income is governed by Title I of the Housing and Community Development Act of 1974.

3. That it may use Program Income only for the following activities:
   a) The activity that generated the program income if the activity continues to meet the requirements of Title I of the Housing and Community Development Act of 1974.
   b) Any additional activity that meets the requirements of Title I of the Housing and Community Development Act if the Town receives DOH’s written approval to fund it with Program Income.

4. That it may use Program Income to fund Administrative and Program soft costs within the following limits:
   - Administrative Costs: 8%
   - Total Administrative and Program Soft Costs (Housing Rehabilitation Activities Only): 12%
   - Total Administrative and Program Soft Costs (All Activities Except for Housing Rehabilitation): 20%

5. That it is hereby amending the Program Income Plan(s) that was adopted for the original activity that generated the Program Income to permit the funding of additional activities from that Program Income.
MEMORANDUM

TO: Board of Selectmen
FROM: Erica Robertson, Town Manager

REGARDING: VI. BUSINESS – ITEM C
Board and Commission Strategic Plan Discussion

Background
As part of the Board of Selectmen’s strategic planning process each Granby Board and Commission was asked to submit strategic objects to the BOS. We have split the Boards and Commissions into two sessions. Tonight, we will hear from:

Board of Finance
Agricultural Commission
Conservation Commission
Planning and Zoning
Development Commission
Inland Wetlands and Watercourses Commission
Commission on Aging
Agriculture Commission – Strategic Objective:

The Granby Agricultural Commission recognizes and appreciates the inclusive efforts of our First Selectman and Town Manager in their consideration of proposed objectives centric to our farm community as part of the Strategic Plan for the Town of Granby. We propose the following:

1. **Right to Farm Ordinance** – By adopting a Right to Farm Ordinance, Town leaders recognize that our rural agricultural community is of high value as it pertains to Town character, revenue, job creation, sustainability and environmental benefits. A Right to Farm Ordinance would echo the Connecticut state Right to Farm law that aims to protect farms and agricultural operations, abiding by generally accepted and standard farming practices from nuisance lawsuits. At a time where it is increasingly difficult for farmers to keep land in agriculture, it is imperative that local town government demonstrates resolute support for our farmers in keeping land viable and in-use for agricultural purposes for years to come.

2. **Permanent Preservation of Holcomb Farm** – Prime farmland soils are rapidly disappearing in Connecticut. If the Holcomb property, a model of farming sustainability and preservation is developed, this prime farmland and piece of history will be lost forever. A conservation easement for Holcomb Farm ensures the intentions of its original stewards, that it will permanently remain farmland as town management and board memberships change.

Board of Finance:

1. Promote efforts to grow the commercial segment of the Grand List to 10% as targeted within the Plan of Development.

2. Maintain a reasonable stability in the scope of operations, the expense of those operations and their cost to the taxpayers in order to efficiently deliver critical and basic municipal and educational services to Granby residents.

3. Preserve a strong financial position as overseers of the fiscal aspects of managing the Town of Granby and its balance sheet as we endeavor to meet both near-term and long-term needs, both operating and capital.

Commission on Aging:

Proposed objective for the Commission on Aging for the strategic plan for the year 2022:

- To secure additional space for senior activities, services and resources.

Conservation Commission – Strategic Objective:

- The Town of Granby shall achieve Sustainable CT Bronze Certification by the Spring of 2023.
Development Commission:

1. Enhance opportunities to build on Granby values in order to foster a community that attracts young people and families and where current residents are able to remain in Town.

This may include:

- Focus on school curriculum that strives to offer both a four-year college preparatory track and technical/vocational learning opportunities.
- Provide a variety of housing options at varying price points to best meet the needs of both current and future residents. This would allow current residents to age in place and newcomers to find housing that fits their lifestyle and needs.
- Develop a marketing plan to promote Granby assets and what makes our community special, including: regional proximity; our open spaces; recreational opportunities; high-quality school system; agricultural base and opportunities; regional industries and businesses; and regional cultural, historical, and entertainment venues, etc.

Measurable Outcomes:

- Population/demographic data.
- School programming information.
- Housing data/construction information.
- Marketing plan.

2. Continue the improvement and enhancement of Granby Center.

This may include:

- Pursue streetscape improvements to create a cohesive environment in Granby Center.
- Hire a firm to assess the Town Green and propose a design plan for the area.
- Evaluate the Zoning Regulations to allow additional uses and mix uses.
- Provide additional housing opportunities in the Town Center area, including improvements to existing properties.
- Partner with local businesses to promote branding of the area.
- Seek opportunities to host events in the Granby Center area—programming opportunities for the Town Green, farmer’s/artisan market, holiday events and recognitions, etc.

Measurable Outcomes:

- Grant securement for streetscape improvements.
- Funding allocation for Town Green design firm and design plan outcome.
- Zoning Regulation changes.
- Housing data.
- Number of events held in the area.

Inland Wetland and Watercourses Commission Objectives:

1. Protect, preserve, and enhance wetlands and watercourses to ensure these resources provide essential functions and values to the citizens of the town.
2. Encourage and promote ecologically sound development practices.

3. Provide education to the public to create a more comprehensive community understanding of the functions and values of wetlands, watercourses, and watersheds, and associated regulatory processes.

**Library Board:**

The Library Board had very lively discussions and revisited our current vision statement of the Granby Public Library:

"In a growing community that is striving to preserve its small-town individuality, we are committed to becoming the community crossroads where all generations can meet to freely exchange ideas and information, where technology and resources support the search for knowledge, where services and collections enrich the lives of residents, and where the library system is a leader in cooperation with other town services, schools, businesses, and organizations. – taken from the mission statement of Granby Library System

1. Collectively, the Granby Public Library Board and staff of the GPL system agree that our physical buildings lack sufficient space to host larger programs/meetings and author talks for all ages. We respectfully submit the objective of the Board is to review all town properties for the purpose of discovering where larger spaces exist within the Town and the steps that need to be taken to share such space.

2. An adjunct objective to discovering additional program and meeting space is to invest in a consultant to assess all Town of Granby buildings to determine where 'gathering places' already exist with ADA compliant entrances and rest room facilities. Additionally, the consultant could investigate other similar empty meeting spaces within Granby that might be available as occasional 'rental' space for large meetings/programs/author talks and/or used book sale space to support the successful annual fundraiser for the Friends of Granby Public Library.

**Planning & Zoning:**

At the Planning and Zoning Commissions meeting of March 8, 2022, the Commission voted to submit the following objectives for consideration for the Strategic Plan:

**Objective:** Pursue the enhancement of Granby Center through both streetscape and landscape improvements, additional residential opportunities, beautification of existing buildings, increased connectivity, and the promotion of a mix of uses. These could include:

- Sidewalk and crosswalk improvements
- Uniform sidewalk lighting, planter boxes, benches etc.
- Study and plan for the Town Green area
- Mix of housing options (Zoning Regulation change)
- Mixed uses (Zoning Regulation change)
- Façade improvement program
- Work to increase the number of special events within the Center
Objective: Promote additional commercial and industrial opportunities where appropriate and in a manner that fulfills Granby’s Ten-Year Vision. This could include:

- Uses that are responsive to changes in the market: T1 and ED Zone revisions and Home Occupation revisions (Zoning Regulation changes).
- Design criteria to avoid strip developments (Zoning Regulation change).
- Promote the construction of commercial projects in an effort to have commercial developments make up 10% of the Town’s total Grand List.
- Consider an extension of the existing sewer lines where such extensions will encourage new commercial uses or provide for commercial expansion.
- Study benefits of adopting a Tax Increment Financing strategy.

Objective: Develop and implement policies and practices that ensure streets are safe for all users. This could include:

- Pursue opportunities to provide bike paths/lanes.
- Create inventory of roads and intersections that are deficient in safety/design and prepare long-range plan for their improvement.
- Make improvements when reconstructing roads to account for pedestrian and bicyclists.
- Develop a system of central parking areas and user-friendly sidewalks that include landscaping and benches to encourage pedestrian traffic and reduce vehicular movements.
- Curb extensions, roundabouts, landscaped median strips, pavement treatments, and increased roadside vegetation should be explored in an effort to decrease speed and improve the aesthetics of the residential environment.
- Require the construction of sidewalks when commercial and multifamily developments are approved (Zoning Regulation change)

**Youth Services Bureau Advisory Board (YSB):**

The YSB will serve the community as a leading prevention agency by:

1. Serving as a community prevention resource assisting in outreach.
2. Provide education and improve awareness with the community relating to prevalent topics that impact our youth today.
3. Offer community-based programming through the Youth Service Bureau to create social opportunities and prevention education for Granby youth and families.
4. Through the Youth Service Bureau, offer individualized youth and family counseling support to improve the overall health and wellness of Granby youth and their families.

**Park & Recreation Board:**

Provide Park and facility planning, development, and restoration of Granby’s Park & Recreation infrastructure to meet the needs and expectations of citizens of Granby while concurrently providing safe, quality, recreation services and well-managed facilities that are financially sustainable, provide excellent customer service, and meet the needs of Granby and non-resident patrons.

Objectives:
Provide direction to, support of, and advocacy of the Park & Recreation Department objectives to ensure achievement of the departments stated goal(s) and achievement of overall mission:

- Development of 10-year capital improvement plan aligned with asserted priorities based on voice of Granby and non-resident patrons
- Pursuit of capital funding allocation(s) from the Town or alternative funding sources (grants) to execute on the capital improvement plan (e.g., ADA accessible walking paths throughout Salmon Brook Park)
- Maintenance and general upkeep of existing parks and facilities
- Performance of existing and new recreational programs and services and their fit/alignment to the mission
- Recognition of the talent of the department inclusive of optimizing the funding alignment of the department to ensure the department talent is fully incented to focus on the long-range goals

**Board of Education:**

Below are the BOE goals for submission to the Town of Granby for their Strategic Plan:

- Collaborate with the Board of Selectmen, Board of Finance and Board of Education to identify and prioritize large capital projects.

- Foster and maintain open communication between town agencies while working toward the integration of resources to support all stakeholders including parents/guardians, children and the Granby community.
TOWN OF GRANBY

MEMORANDUM

TO: Board of Selectmen
FROM: Erica P. Robertson, Town Manager
RE: VII. TOWN MANAGER REPORT

DATE: August 1, 2022

Tonight’s Town Manager report includes information I hope you find of interest. My staff and I are dedicated to working hard each day for the betterment of our community.

Capital Projects Update

Radio Communications Project - The Radio Communications Committee has been hard at work to move this project forward. Bid specifications have been created and will be ready to put on the street shortly. One of the most important aspects of this project is to secure the required tower sites that will make the system complete. A critical site is the Metacommet Tower that is owned by the Airport Authority. Last week, a site visit was conducted with stakeholders. We are pleased with the progress on this Town site to date.

Bridges - Last month a contractor was secured for Moosehorn Bridge. Currently, the Town and our consulting engineers are working with the State to conduct some value engineering for the project. This is a complicated project, and we continue to look for ways to reduce costs as well as the impact of the project on our residents. There is some debate between the engineering groups whether there will be a need to close the road for a weekend as originally planned. In the meantime, preliminary work around the bridge will begin in August.

Granby also recently received good news on the remaining two bonded bridge projects (Donahue and Simsbury Road). They will now be covered 100%. Granby will not have to support the projects with local dollars. The state has started a 100% reimbursement program for bridges greater than twenty feet in length. That means that Donahue and Simsbury Road bridges are eligible. For these two bridges we bonded approximately $4.7M and expected to pay 20% of that total. We will still need to pay the replacement cost but will be reimbursed 100% of the cost upon completion.

Wetlands permitting is under way on Donahue Road and will be going out for design later this year with replacement scheduled for 2023. Simsbury Road Bridge is still on the schedule for replacement in 2024.

In less than good news, Doherty Road Bridge was inspected and determined that it should be replaced at the estimated cost of 2.5M at 50% reimbursement. The bridge is under twenty feet in length, so it does not qualify for the State’s new program. We will be including this project in our upcoming capital planning process.

Public Works Update

Summer Road Maintenance Projects
Road projects are well underway. Culverts have been replaced on Loomis Street and Strong Road. There is one culvert on Higley Road that is scheduled for August. The staff spent a significant amount of time preparing Loomis Street and sections of Kelly Lane and Quarry Road for paving. After the preparation work, the roads were covered with a chip seal product used to fill in the cracks and form a binding coat. During the first week of August the paving crew will start overlaying all of chip sealed areas with bituminous asphalt for the final coating.

Tree Work

Ash trees will be removed from the east side of Holcomb Farm on August 10th and 11th as the result of a collaborative effort between Eversource, Distinctive Tree, Holcomb Farm, Inc., and Granby DPW. These trees have been damaged by the emerald ash borer.

Mark your calendars!

The third of our Household Hazardous Waste collections will be Saturday, October 15th in Simsbury at 66 Town Forest Road.

Fuel Update

Fortunately, fuel prices are going down but not by much. We are still under contract for gasoline until December and will continue to price shop when ordering diesel fuel.

Budget Update

The Finance Office is busy closing the books on FY22. June invoices are still being processed. They have also rolled out the FY 23 budget in the financial software system. Preliminary work has started on the audit. Both Kimi Cheng and Anna Robbins are gathering the necessary items for audit work this month. The audit will be completed in the fall.

At the last Board of Finance meeting, we reported on the preliminary General Fund estimates for FY22. We had a good year with better-than-expected revenue. Tax collection remained strong. Town Clerk and Building Permit fees far exceeded expectations. A report on the following page outlines FY22 operation results and estimated fund balance data.
