The obligations under this chapter shall be the joint and several obligation of the owner of the motor vehicle and the owner of the real property on which said vehicle is located.

§ 167-4. Storage requirements; notice of violation.

B. Any owner of a motor vehicle and the owner of the real property on which the motor vehicle is located who fails to comply with this chapter within 15 days of the service upon him of notice of the violation shall be in violation of this chapter. Each motor vehicle not so stored shall constitute a separate violation of this chapter. Each day said motor vehicle is not so stored shall constitute a separate violation. Service of the requisite notice may be made by first-class mail.

C. Removal and return. No vehicle once removed pursuant to said notice may be returned to said real property except in compliance with this article.

§ 167-5. Application for permits.

The owner of a motor vehicle which is an antique, rare or special interest motor vehicle or which is in the process of being repaired or which qualifies for temporary storage may apply to the Town Manager or his designee for an application for one of three permits as follows:

A. Restoration/preservation permit. Any owner of an antique, rare or special interest motor vehicle as herein defined may apply for an exemption from the requirements of this chapter for a period not to exceed one year upon a satisfactory showing that the motor vehicle is actively being restored or preserved as an antique, rare or special interest motor vehicle. This permit may be renewed yearly as long as all requirements are met.

B. Temporary repair permit. Any owner of a motor vehicle, which is in the process of being repaired, may apply for a temporary permit for repair for a period of not longer than 60 days. No permit shall be issued if said repair work is being done commercially or for a fee or any consideration of value. After the expiration of said sixty-day period, said motor vehicle must be registered by the Department of Motor Vehicles or stored in compliance with this article.

C. Temporary storage.
