If unable to come to a resolution, the employee may proceed to step 1.
Step 1. The aggrieved employee shall present in writing the grievance or dispute to their immediate supervisor within fourteen (14) calendar days of the date of the grievance or his knowledge of its occurrence. The written grievance shall include a statement of the grievance and facts involved, the alleged violation of the agreement, and the remedy requested.

Within fourteen (14) calendar days after the supervisor receives such grievance, a meeting shall take place with the grievant and a union representative (if requested by the grievant) for the purpose of adjusting or resolving such grievance. The supervisor shall render a decision within fourteen (14) calendar days after the hearing.

Step 2. If the grievance has not been settled, it shall be presented in writing to the Chief of Police within fourteen (14) calendar days after the supervisor's response is received. Within fourteen (14) calendar days after the Chief of Police receives such grievance, a meeting shall take place with the grievant and a union representative (if requested by the grievant) for the purpose of adjusting or resolving such grievance. The Chief of Police or a designated representative shall render his decision in writing within fourteen (14) calendar days after the hearing.

Step 3. If the grievance has not been settled, it shall be appealed to the Town Manager within fourteen (14) calendar days after the decision of the Chief of Police, or the designated representative is received. Within fourteen (14) calendar days after the Town Manager receives such grievance, he or his designated representative shall arrange to and shall meet with the grievant and a union representative, if requested, for the purpose of adjusting or resolving such grievance. The Town Manager or his designated representative shall render a decision within fourteen (14) calendar days after the hearing.

Step 4. If the grievance has not been settled, the union may submit said grievance to arbitration. Either party shall have the option to choose either the Connecticut State Board of Mediation and Arbitration or the American Arbitration Association; however, if either party chooses A.A.A., then the cost of the arbitrator shall be equally shared. The decision of the arbitrator(s) shall be final and binding.

Any arbitrator shall be limited to ruling on interpretations as to the application or meaning of the terms of the Agreement, and shall have no power to add to, or subtract from, or modify any of the terms of this Agreement.

Failure by the Union at any step to appeal within specified time limits shall be considered acceptance of the last decision rendered. Failure of the Town to render a decision within the specified time limits shall be grounds for appeal to the next step. The time limits specified herein may be extended by written agreement.

Neither the Town nor the union shall object to the use by either party of a public stenographer or a mechanical recording device at Step 4 of this procedure.

All answers at any stage of this procedure shall be in writing to the grievant and union.

The Union and the Town may take appropriate steps to combine grievances, which they agree arise out of the same subject or event in order to avoid the necessity of processing and hearing several grievances. It is understood that decisions and remedies in such combined cases may vary based on the facts of each case.
Probationary employees shall have the same right to union representation as have permanent employees at disciplinary meetings and throughout this grievance procedure, but probationary employees shall have no access to the grievance procedure in cases of dismissal.

In the event an employee voluntarily terminates employment with his position in the Town, any grievances pending shall become void. This will not affect the remaining people in a combined grievance.

Article 22 - Savings Clause

If any section, sentence, clause or phrase of this agreement shall be held for any reason to be inoperative, void or invalid, the validity of the remaining portions of this agreement shall not be affected thereby. Either party may notify the other party in writing of its desire to bargaining collectively over any invalidated articles, sections, clauses, or phrases. Neither party is obligated to participate in any such negotiations.

Negotiation sessions shall commence on or about January 2023, with an expected completion date of June 30, 2023. This agreement shall not otherwise be terminated except by mutual consent of both parties.

3. This agreement, upon ratification, supersedes and cancels all prior practices, memoranda, understandings and agreements, whether written or oral, unless expressly stated to the contrary and included in writing herein, and constitutes the complete and entire agreement between the parties and concludes collective bargaining for this term.
Schedule A - Wages

Based upon successful evaluation, which shall include attendance and supervisor recommendation, each employee shall receive wages according to the attached schedules. Evaluations will be completed prior to an employee’s anniversary date. Each employee shall receive a step increase following the first pay period of the anniversary date of employment. However, if an employee receives a promotion, this date becomes the employee’s new anniversary date only in relation to future step increases. Only step increases shall be based upon successful evaluation. Yearly general wage increases shall be automatic.

In addition, dispatchers working the second shift will receive one dollar ($1.00) per hour worked (paid as other pay) as a shift premium. The dispatchers working shift A (11 p.m. to 7 a.m.) will receive one dollar twenty-five cents ($1.25) per hour worked (paid as other pay) as a shift premium.

The Town agrees to meet with the Union no later than March 1, 2022 to discuss the potential creation of a Lead Dispatchers position.

Part-time employees shall receive wages according to the following schedules for their position. Any part-time dispatcher who has ten (10) years seniority or more will move to the next salary above their current salary in the full-time dispatcher pay grid and continue to advance on that grid every other year.
